

Along the Grand Silk Road

from China to Central Asia

The Grand Silk Road:

One of the greatest adventure of all times. Following the age old caravan route that carried a mysterious garment to the West. Its secret took centuries to reveal but it gave birth to one of the world's most grandest and treacherous trade routes. It was coined as the "Silk Road". This thrilling adventure takes us over breathtaking mountain passes, uncharted deserts and a harsh yet a romantic landscape. We visit places which were once the melting pots of cultures, religions and history. From start to finish the trip is packed with excitement, experience and adventure.
